

ALL ABOUT CLIPPING BOX TOPS

Earning cash for your school with Box Tops is easy! Each one is worth 10¢ for your school and you can find them on hundreds of products.

BOX TOPS COME IN ALL SHAPES AND SIZES:

They don't need to be clipped perfectly – parents can cut them neatly or just rip 'em off the packages and send them to school. However, **it's very important that each Box Top clip has a clearly visible product acronym and expiration date.** Expired Box Tops don't count towards your school's earnings!

Once the Box Tops are sent to school, that's when you make the magic happen! As a Coordinator, you're in charge of submitting your school's Box Tops so your school can receive a check.

THE BEST PART? Your school can use its Box Tops cash to buy whatever it needs.
